

Berlin - Germany

8th European Software Conference - Open all senses!

For Immediate Release

ESWC e.V. announces hotel venue for Berlin, Germany

Frechen, Germany – April 07, 2008 –

The hotel venue has been named by the ESWC e.V. “It has been a careful process of selection since we are well aware that only the best and technically advanced hotels can suit our quality conference!”, says David Boventer, Founder and Executive Director of the ESWC e.V. And we have decided for the

Berlin Maritim Hotel – the first-class designer hotel in the heart of the capital

Special room prices have been arranged. Please see for details at:
<http://www.euroconference.org/hotel2008.htm>
