Blending web, mobile and desktop into one world of software

For immediate release

Announcing the hotel venue in Berlin, Germany

**The hotel venue has been named by the organizers of the ESWC 2009. „It has been a careful and deliberate process of selection since we are aware that only the best and technically advanced hotel can suit our quality conference“, says David Boventer, Founder and Executive Director of the ESWC e.V.
And we have decided for the**

Kempinski Hotel Bristol – Berlin – the „Grande Dame“ among the Berlin hotels

Special room prices have been arranged
<http://www.euroconference.org/hotel2009.htm>

Two special Networking dinners are included within the full registration fee.
